Subject: REMINDER: Interested in solving crimes faster? See NEC's NeoFace® in action at the IAI Conference
Date: Thursday, August 3, 2017 7:31:56 AM

Dear Patrick,

This year, NEC is a Diamond Sponsor at the International IAI Conference. While you're at the event, we would like to invite full-conference pass holders to attend NEC's sponsored breakfast and opening ceremonies, and all conference participants to visit us at **NEC Booth #301** to learn about our Advanced Recognition Systems.

With threats on the rise and criminals growing more sophisticated by the day, citizens trust law enforcement agencies to stay one-step ahead. The key to keeping communities safe? Accuracy, reliability and speed.

Whether in the crime lab, in the field, at the crime scene or in the office, the unparalleled and unsurpassed identification matching accuracy and speed of our fingerprint and facial recognition solutions provide the technology-based partnership required for accurate real-time and post-event investigations. Stop by booth #301 to learn how NEC's Advanced Recognition Systems solutions can help you and your agency by:

- Enabling forensic examiners and investigators to identify more offenders faster, for more efficient and effective crime solving
- Providing a new approach to multi-modal biometrics capture and its benefits
- Utilizing NEC's award winning algorithms to accurately identify more persons and solve more crimes
- Protecting your investment with continuous commitment to R&D and engineering of best-in-class solutions and products for law enforcement agencies to meet their mission goals

We look forward to seeing you in Atlanta, Georgia at the International IAI Conference!

Best regards,
The NEC Advanced Recognition Systems Team
